Dear [REDACTED]

Please refer to copy of my letter to [REDACTED] dated 11 December 1947 relative to employees from your office dealing directly with the regional Civil Service office.

25X1A9a

[REDACTED] referred this matter to the Chief of the Personnel Branch and I have just been informed by him that no employees of CIA should at any time whatsoever deal directly with the Civil Service Commission either at its main office or at a regional office. In the future all inquiries that employees desire to make of the Civil Service Commission will be made through this office.

Please see that all employees are informed and require them in the future to submit such inquiries through your office for forwarding to Washington.

Sincerely,

25X1A9a
